INTRODUCTION: *KMT Vocational Institute (Regd)* is an advanced and pioneer skilling institution for training of professionals. All Courses have been developed after surveys of demand for such studies in their respective fields. These Vocational Education & Training Courses are conventional as well as innovative. They are launched with a view to fulfill the learner's need for learning and improving skill of profession, acquisition of practical professional experience & competency. Continuing education & development at workplaces. Self enrichment of knowledge with training. The aim of the institution is to make professional education and training affordable for all.

The emphasis of the *KMT Vocational Institute (Regd)* program is on developing a cadre of professionals, especially backward groups and rural youth. Focuses on the concept of turning the unskilled worker to skilled professionals.

- To support rural and remote area people with affordable vocational education & training.
- To provide effective representation, promotion and communication of *KMT Vocational Institute (Regd)* interested in the development and implementation of policies.
- To provide national leadership on shaping and supporting the contribution made by *KMT Vocational Institute (Regd)* to well-being.
- To strengthen the delivery with qualified candidates.

KMT Vocational Institute (Regd) affiliated & associated directly or indirectly through its parental organization with Department of Labor, Govt of NCT Delhi; District Industries Centers, Govt of Uttarakhand & Uttar Pradesh; Delhi State Government Paramedical council; Paramedical & Nursing Council, Jammu & Kashmir; State Health Society, Bihar; All India Council for Technical Education; Department of Justice; Ministry of Ayush; Ministry of Skill Development & Entrepreneurship; Ministry of Health and Family Welfare; National Commission for Women; National Human Rights Commission;

Board of Open Schooling & Skill Education, Gangtok; Board of Secondary Education Delhi; Indian Organization for Women Education & Training, Delhi; Maharaja Vinayak Global University, Jaipur; Minerva Group of Institute, Dehradun; Sanaatan Gurukul Ved Vishwavidhyala, Haridwar; United India Society of Health Science & Technology, New Delhi; Upgrad Consultancy;

COURSES (Certificate/ Diploma)*: *Allied Health Professionals:* A separate group of health practitioners, who apply their skill to prevent, diagnose, treat and rehabilitate people of all age and specialties from transmitting diseases. They will provide direct medical care, recovery, medication, diagnostics and health development measures along with a range of technical support personnel to recover and sustain optimum physical, sensory, psychological, cognitive and social functions. Allied Health Sciences deal with all sorts of Medical Diagnostic Techniques (e.g. blood analysis, histopathology, pathological analysis radiography) that are used in the medical field and are very relevant for patient care. The role of allied health workers in providing effective care has become critical with diagnosis based technology.
